

# DEKKER DREDGERS

## MULTICAT DEKKER2008 Poseidon

### MULTICAT

Our Multicats are robust, effective and equipped with the C-Star system and connected to C-Star Office Monitoring System for ease of operation, highest possible efficiency and straight forward control.

The Dekker Multicat is a complete workboat, based on thoroughly tested, up-to-date designs and built from high quality standardised components. The Dekker Dredgers Multicats are standard, multipurpose work vessels. These compact vessels can tackle an exceptionally wide range of tasks. The design includes an ergonomic wheelhouse providing 360 degree visibility. All communication and navigation equipment is within direct reach of the operator.
